Wanted Dead or a Wild Review

Hacksaw Gaming's simple and unique visual style suits this gritty wild west release very well, but Wanted Dead or a Wild slot borders on being a silly name. Looking past that however, there is nothing lighthearted about this installment. The base game is a ride in the bone dry desert most of the time, but VS expanding multiplier wilds can strike at any time to provide top-up wins and even larger payouts.

You're more likely to crack the 12,500x potential in 1 of the 3 bonus rounds however, although the least volatile sticky wild Train Robbery feature is probably not your best bet in that regard. The atmosphere is far bleaker than you might be used to from Hacksaw, and it's nice to see a different and more serious side of the Malta-based developer. The only thing we don't like about this release outside of the title, is the introduction of adjustable RTP ranges.

Wanted Dead or a Wild Slot - Reels

Screen

Slot Features

The Wild symbol can land on all 5 reels, and it steps in for all regular pay symbols to help you complete winning combinations. It's also the most valuable symbol in the game with the pistol cylinder, awarding 20x your stake for 5 of a kind. The 5 picture premium symbols pay between 5 and 20 x your stake for the same.

Special VS symbols can land also in the base game, and these expand to cover the full reel before they turn wild. A duel between 2 gunslingers awards a random wild multiplier between x2 and x100, and multipliers are added together if more than one VS wild is part of a winning combo.

The Great Train Robbery Bonus Round is triggered when you land 3+ Train Robbery symbols in the base game. You get 10 free spins, and all wilds that land become sticky for the remainder of the Wanted Dead or a Wild bonus round. This is a medium volatile feature according to Hacksaw.

You need at least 3 Duel

symbols in view to trigger the Duel at Dawn Bonus Round, and this also awards 10 free spins. You can expect more frequent VS symbols to land than in the base game, but they

don't land all that often due to the very high volatility you get in this feature.

The

Dead Man's Hand Bonus Round is triggered by landing 3+ Dead scatters anywhere on the same spin. You start in the Collect Phase of the feature, which plays out like a streak respins style game with 3 spins. The aim is to land wilds and multiplier symbols, as these are collected in the assigned meters. You can get up to 20 wilds and a x31 multiplier at the most.

The respins tally resets to 3 for every collected symbol you land, and when you land nothing but blanks 3 times in a row you enter the Showdown phase of the bonus. You get 3 showdown spins, and the collected wilds are added in random configurations per spin. In addition, all wins are boosted by the multiplier you racked up in the collect phase.

Non-UK players can take advantage of the Wanted Dead or a Wild Bonus Buy menu, where all 3 features are up for grabs at any time. You can thus purchase The Great Train Robbery (96.27 % RTP), Duel at Dawn (96.33 % RTP) and Dead Man's Hand (96.43 % RTP) for 80, 200 or 400 x your stake, respectively.

The 200 Spins

Wanted Dead or a Wild Experience

You get to see a randomly triggered VS expanding multiplier wild that awards a smaller win in the base game, before we purchase all 3 bonus rounds in chronological order. The Great Train Robbery feature starts around the 1-minute mark, and you can check it all out for yourself by hitting the play button below.

Review Summary

There is something understated about this release that we really like. It reminds us of the many silent, strong and gritty wild west heroes we've seen throughout the years, minding their own business in a dimly lit corner of the saloon before all hell breaks loose. That's literally how playing Wanted Dead or a Wild slot feels, as you'll plough through plenty of uneventful spins before a sudden VS duel plays out to spike up your bankroll.

Don't expect too much from the base game however, although a maxed-out x100 wild multiplier is certainly capable of cracking the 12,500x potential. It's good fun collecting wilds and building the multiplier in the Dead Man's Hand feature, and the 3 final spins can be really tense and lucrative. Double VS wilds strike suddenly in the Duel at Dawn round, but it's usually quiet in-between. The Train Robbery feature is a classic sticky wilds round, making it the most predictable option.

Pros VS expanded wilds w/ up to x100 multipliers

FS w/ sticky wilds (medium volatile)

FS w/ more frequent VS multiplier wilds

FS w/ wild/multiplier collect/release

on 3 final spins

Win up to 12,500x your stake Cons Beware of adjustable RTP ranges

If

you love to play Wanted Dead or a Wild slot you should also try:

Chaos Crew - is

another Hacksaw release that's somewhat similar in terms of features. It comes with a 5x5 grid with 15 paylines as well, and you get a cranky cat mystery multiplier in the base game. The hold-and-win style bonus round is all about multiplier accumulation, with 4 modifier symbols that can lead to 10,000x payouts.

El Paso Gunfight - is the

third installment in NoLimit City's hardboiled western range, and you can choose

between high or extreme volatility. The respins feature comes with xNudge multiplier wilds on the 3 middle reels, and there are 4 different bonus rounds that can lead to payouts up to 44,440x your stake.

Dead or Alive 2 - is the gritty follow-up to NetEnt's classic, and it comes with 3 different bonus rounds. One of them is the same x2 multiplier feature from the first game, but you also have a wild collect multiplier increase feature, as well as the highly volatile multiplier sticky wilds option. The 111,111x potential is legendary, and the tense atmosphere alone is worth a spin or ten.

Cameron Norrie retoma el primer lugar en el tenis británico tras vencer a Jack Draper en Wimbledon

Cameron Norrie puede ser el futuro del tenis masculino británico, pero el mismo Norrie dio un recordatorio oportuno el jueves de que todavía está presente y, por lo visto, le gustaría recuperar su clasificación como N° 1 británico. En un partido entre los mejores del país, Norrie produjo uno de sus mejores desempeños del año al vencer a Draper por 7-6 (3), 6-4, 7-6 (5) y avanzar a la tercera ronda por segunda vez.

Semifinalista hace dos años, Norrie ganó el primer set gracias a un comienzo rápido en el desempate. En el primer enfrentamiento entre el N° 1 y N° 2 británico en un evento de Grand Slam desde que Tim Henman venció a Greg Rusedski en el Australian Open en 2002, la mayor experiencia y astucia de Norrie en la hierba marcaron la diferencia. Se deslizó sin problemas por el segundo set y luego remontó desde una desventaja de 5-3 en el tercero para sellar una victoria convincente.

"Jack está jugando muy bien y somos muy buenos amigos fuera de la cancha", dijo Norrie.

"Tuvimos que dejar eso de lado hoy. Estaba bastante relajado al entrar, estaba feliz con mi nivel y jugué muy físico".

"Solo quería seguir confiando en mi movimiento, mis piernas. He hecho algunas prácticas realmente buenas, el nivel está allí. Fue agradable usarlo hoy y usar mi experiencia. Estuve un poco nervioso hacia el final del desempate, pero logré cerrarlo."

Norrie insiste en ser el underdog a pesar de la ventaja en el historial

Norrie había insistido en que era el underdog contra Draper, a pesar de haber ganado sus dos encuentros anteriores. Draper ganó su primer título en Stuttgart el mes pasado y venció al campeón de Wimbledon, Carlos Alcaraz, en Queen's Club, para ser sembrado en un Grand Slam por primera vez, en el puesto N° 28. ¿Kidología o honestidad, Norrie salió airoso desde el principio, gesticulando con el puño casi desde el primer punto.

Draper necesitó su servicio potente para aguantar el ritmo de Norrie en el primer set, pero el hombre mayor corrió detrás de todo, siempre haciendo que Draper trabajara. Sus golpes planos desde el fondo obligaron a Draper a agacharse bajo y en el desempate fue Norrie quien comenzó más rápido y lo terminó de manera elegante.

Fearnley da una dura pelea a Djokovic

Jacob Fearnley admitió que no sabía cómo vencer a Novak Djokovic, el siete veces campeón, un hombre al que había visto crecer en la televisión. Un mes atrás, el escocés de 22 años aún estaba en la universidad en Estados Unidos, pero allí estaba, produciendo un despliegue impresionante que, si bien no fue suficiente para causar una gran sorpresa, le dio a Djokovic más pelea de lo que la mayoría pensaba antes de perder por 6-3, 6-4, 5-7, 7-5.

El N° 277 del mundo sirvió con fuerza y no se intimidó ante Djokovic, quien llevaba una cinta gris en la rodilla derecha, solo un mes después de someterse a una cirugía.

Con un viento fuerte que dificultaba los golpes limpios, el serbio no estuvo en su mejor nivel y su movimiento al lado de su drive siguió siendo un poco tímido.

Pero Fearnley también jugó de manera agresiva y eso le funcionó. Abajo un quiebre al principio del tercero, recuperó para 3-3 y luego, en 6-5, forzó una oportunidad de set.

Un buen retorno empujó a Djokovic hacia atrás y el N° 2 envió una devolución de drive ampliamente hacia afuera.
